Notice of HIPAA Privacy Practices for Protected Health Information

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This notice is effective as of June 15, 2018.

The Chubb Group of Companies, as affiliated covered and hybrid entities, (the "Company") is required by law to take reasonable steps to ensure the privacy of your personally identifiable health information, and to inform you about:

- § The Company's uses and disclosures of Protected Health Information ("PHI")
- § Your privacy rights with respect to your PHI;
- § The Company's duties with respect to your PHI;
- § Your right to file a complaint with the Company and to the Secretary of the U.S. Department of Health and Human Services ("HHS"); and
- § The person or office to contact for further information regarding the Company's privacy practices.

PHI includes all individually identifiable health information transmitted or maintained by the Company, regardless of form (e.g. oral, written, electronic).

A federal law, the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), regulates PHI use and disclosure by the Company. You may find these rules at *45 Code of Federal Regulations* Parts 160 and 164. This notice attempts to summarize the regulations. The regulations will supersede any discrepancy between the information in this notice and the regulations.

I. Notice of PHI Uses and Disclosures

A. Required Uses and Disclosures

Upon your request, the Company is required to give you access to certain PHI in order to inspect and copy it.

Use and disclosure of your PHI may be required by the Secretary of Health and Human Services to investigate or determine the Company's compliance with the privacy regulations.

B. Uses and Disclosures to Carry Out Treatment, Payment, and Health Care Operations

The Company and its business associates will use PHI without your consent, authorization or opportunity to agree or object to carry out treatment, payment and health care operations. The Company also may also disclose PHI to a plan sponsor for purposes related to treatment, payment and health care operations and as otherwise permitted under HIPAA to the extent the plan documents restrict the use and disclosure of PHI as required by HIPAA.

Treatment is the provision, coordination or management of health care and related services. It also includes but is not limited to consultations and referrals between one or more of your providers. For example, the Company may disclose to a treating orthodontist the name of your treating dentist so that the orthodontist may ask for your dental X-rays from the treating dentist.

Payment includes, but is not limited to, actions to make coverage determinations and payment (including establishing employee contributions, claims management, obtaining payment under a contract of reinsurance, utilization review and pre-authorizations) For example, the Company may tell a doctor whether you are eligible for coverage or what percentage of the bill will be paid by the Company.

Health care operations include, but are not limited to, underwriting, premium rating and other insurance activities relating to creating or reviewing insurance contracts. It also includes disease management, case management, conducting or arranging for medical review, legal services and auditing functions including fraud and abuse compliance programs, business planning and development, business management and general administrative activities. For example, the Company may use information about your claims to refer you to a disease management program, project future benefit costs or audit the accuracy of its claims processing functions. The Company will not use or disclose PHI that is genetic information for underwriting purposes.

The Company also may contact you to provide appointment reminders or information about treatment alternatives or health-related benefits and services that may be of interest to you.

C. Uses and Disclosures that Require Your Written Authorization

The Company will not use or disclose your PHI for the following purposes without your specific, written authorization:

- Use and disclosure of psychotherapy notes, except for your treatment, Company training programs, or to defend Company against litigation filed by you.
- Use and disclosure for marketing purposes, except for face to face communications with you.
- Use and disclosure that constitute the sale of your PHI. The Company does not sell the PHI of its customers.

Except as otherwise indicated in this notice, uses and disclosures of PHI will be made only with your written authorization subject to your right to revoke such authorization. You may revoke an authorization by submitting a written revocation to the Company at any time. If you revoke your authorization, the Company will no longer use or disclose your PHI under the authorization. However, any use or disclosure made in reliance of your authorization before its revocation will not be affected.

D. Uses and Disclosures Requiring Authorizations or Opportunity to Agree or Disagree Prior to the Use or Release

If you authorize in writing the Company to use or disclose your own PHI, the Company may proceed with such use or disclosure without meeting any other requirements and the use or disclosure shall be consistent with the authorization.

Disclosure of your PHI to family members, other relatives or your close personal friends is allowed if:

- The information is directly relevant to the family or friend's involvement with your care or payment for that care; and
- You have either agreed to the disclosure or have been given an opportunity to object and have not objected.

E. Uses and Disclosures for which Consent, Authorization or Opportunity to Object is Not Required

Use and disclosure of your PHI is allowed without your authorization or request under the following circumstances:

(1) When required by law.

(2) When permitted for purposes of public health activities, including when necessary to report product defects and to permit product recalls and to conduct post-market surveillance. PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized by law.

(3) When authorized by law to report information about abuse, neglect or domestic violence. In such case, the Company will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, it is not necessary to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives although there may be circumstances under federal or state law where the parents or other representatives may not be given access to the minor's PHI.

(4) The Company may disclose your PHI to a public health oversight agency for oversight activities authorized by law. This includes uses or disclosures in civil, administrative or criminal investigations; inspections; licensure or disciplinary actions (for example, to investigate complaints against providers); and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).

(5) The Company may disclose your PHI when required for judicial or administrative proceedings. For example, your PHI may be disclosed in response to a subpoena or discovery request provided certain conditions are met. One of those conditions is that satisfactory assurances must be given to the Company that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or were resolved in favor of disclosure by the court or tribunal.

(6) When required for law enforcement purposes (for example, to report certain types of wounds).

(7) For law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or

missing person. Also, when disclosing information about an individual who is or is suspected to be a victim of a crime but only if the individual agrees to the disclosure or the covered entity is unable to obtain the individual's agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement and disclosure is in the best interest of the individual as determined by the exercise of the Company's best judgment.

(8) When required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized by law. Disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent. The Company may also disclose your PHI to organ procurement organizations.

(9) The Company may use or disclose PHI for government-approved research, subject to conditions.

(10) When consistent with applicable law and standards of ethical conduct if the Company, in good faith, believes the use of disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.

(11) For certain government functions such as related to military service or national security.

(12) When authorized by and to the extent necessary to comply with workers' compensation or other similar programs established by law.

(13) That is "incident to" an otherwise permitted use or disclosure of PHI by the Company.

II. Rights of Individuals

A. Right to Request Restrictions on Use and Disclosure of PHI

You may request the Company to restrict its use and disclosure of your PHI to carry out treatment, payment or health care operations, or to restrict its use and disclosure to family members, relatives, friends or other persons identified by you who are involved in your care or payment for your care. However, the Company may not be required to agree to your request, unless you have paid out of pocket in full for services, depending on the specific facts.

The Company will accommodate reasonable requests to receive communications of PHI by alternative means or alternative locations, such as a location other than your home. The Company will accommodate this request if you state in writing that you would be in danger from receiving communications through the normal means.

C. Right to Amend PHI

You have the right to request the Company to amend your PHI or a record about you in a designated record set for as long as the PHI is maintained in the designated record set.

The Company has 60 days after the request to act on the request. A single 30-day extension is allowed if the Company is unable to comply with the deadline. If the request is denied in whole or part, the Company must provide you with a written denial that explains the basis for the denial. You or your personal representative may then submit a written statement disagreeing with the denial and have that statement included with any future disclosures of your PHI.

Requests for amendment of PHI in a designated record set should be made to: Leslie Kaltenbach, Senior Privacy Officer & Compliance Manager, Chubb Group, 202 Hall's Mill Road, Whitehouse Station, NJ 08889, phone: 1-833-802-4822.

However, such accounting need not include PHI disclosures made: (1) to carry out treatment, payment or health care operations; (2) to individuals about their own PHI; (3) prior to the compliance date; or (4) based upon your own written authorization.

If the accounting cannot be provided within 60 days, an additional 30 days is allowed if the individual is given a written statement of the reasons for the delay and the date by which the accounting will be provided.

If you request more than one accounting within a 12-month period, the Company will charge a reasonable, cost-based fee for each subsequent accounting.

F. Note About Personal Representatives

You may exercise your rights through a personal representative. Your personal representative will be required to produce evidence of his/her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. Proof of such authority may take one of the following forms:

- A power of attorney for health care purposes, notarized by a notary public;
- A court order of appointment of the person as the conservator or guardian of the individual; or
- An individual who is the parent of a minor child.

The Company retains discretion to deny access to your PHI to a personal representative to provide protection to those

vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect. This also applies to personal representatives of minors.

III. The Company's Duties

The Company is required by law to maintain the privacy of PHI and to provide individuals (participants and beneficiaries) with notice of its legal duties and privacy practices and to notify affected individuals of a breach of unsecured PHI. The Company is required to abide by the terms of this notice.

The Company reserves the right to change its privacy practices and to apply the changes to any PHI received or maintained by the Company prior to that date. If a privacy practice is changed, a revised version of this notice will be provided to all past and present participants and beneficiaries for whom the Company still maintains PHI. A. "Minimum Necessary" Standard

When using or disclosing PHI, or when requesting PHI from another covered entity, the Company will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations.

“Active Service” means a Covered Person is either 1) actively at work performing all regular duties at his or her employer’s place of business or someplace the employer requires him or her to be; 2) employed, but on a scheduled holiday, vacation day, or period of approved paid leave of absence; or 3) if not employed, able to engage in substantially all of the usual activities of a person in good health of like age and sex and not confined in a Hospital or rehabilitation or rest facility.

“Country of Permanent Assignment” means a country, other than a Covered Person’s Home Country, in which the Participating Organization requires a Covered Person to work for a period of time that exceeds 180 continuous days.

“Country of Permanent Residence” means a country or location in which the Covered Person maintains a primary permanent residence.

“Covered Accident” means an accident that occurs while coverage is in force for a Covered Person and results directly and independently of all other causes in a loss or Injury covered by the Policy for which benefits are payable.

“Covered Activity” means any activity in which a Covered Person must be engaged when a Covered Accident occurs in order to be eligible for benefits under the Policy. These Covered Activities are listed in the *Schedule of Benefits* and described in the Hazards section of the Policy.

“Covered Expenses” means expenses actually incurred by or on behalf of a Covered Person for treatment, services and supplies covered by the Policy. Coverage under the Participating Organization’s Policy must remain continuously in force from the date of the Covered Accident or Sickness until the date treatment, services or supplies are received for them to be a Covered Expense. A Covered Expense is deemed to be incurred on the date such treatment, service or supply, that gave rise to the expense or the charge, was rendered or obtained.

“Covered Loss” or “Covered Losses” means an accidental death, dismemberment, or other Injury covered under the Policy.

“Covered Person” means any eligible person, including Dependents if eligible for coverage under the Policy, for whom the required premium is paid. If the cost for this insurance is paid for by the Participating Organization, individual applications are not required for an eligible person to be a Covered Person.

“Deductible” means the dollar amount of Covered Expenses that must be incurred as an out-of-pocket expense by each Covered Person per Covered Accident or Sickness basis before Medical Expense Benefits and/or other Additional Benefits paid on an expense incurred basis are payable under the Policy.

“Doctor” means a licensed health care provider acting within the scope of his or her license and rendering care or treatment to a Covered Person that is appropriate for the conditions and

locality. It will not include a Covered Person or a member of the Covered Person's Immediate Family or household.

CLAIM PROVISIONS

Notice Of Claim: A claimant must give Us or Our authorized representative written (or authorized electronic or telephonic) notice of claim within 90 days after any loss covered by the Policy occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. This notice should identify the Covered Person and the Policy Number.

Claim Forms: Upon receiving written notice of claim, We will send claim forms to the claimant within 15 days. If We do not furnish such claim forms, the claimant will satisfy the requirements of written proof of loss by sending the written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent and nature of the loss.

Proof Of Loss: Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. If it cannot be provided within that time, it should be

sent as soon as reasonably possible. In no event, except in the absence of legal capacity, should proof of loss be sent later than one year from the time proof is otherwise required.

Claimant Cooperation Provision: Failure of a claimant to cooperate with Us in the administration of a claim may result in the termination of a claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment Of Claims: Any benefits due will be paid when We receive written (or authorized electronic or telephonic) proof of loss.

Payment Of Claims: If the Insured dies, any death benefits or other benefits unpaid at the time of the Insured's death will be paid to the beneficiary. If no beneficiary is on record with Us or Our authorized agent, payment will be made to the Insured's estate.

All other benefits will be paid to the Insured. If the Insured is: (1) a minor; or (2) in Our opinion unable to give a valid release because of incompetence, We may pay any amount due to a parent, guardian, or other person actually supporting him or her. Any payment made in good faith will end Our liability to the extent of the payment.

If a Covered Loss is suffered by a Covered Person who resides outside of the United States, its territories and possessions and in a Country where the Company is not permitted to provide insurance without a License, the Company will pay benefits under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the insured person or his or her beneficiary or other person to whom such benefits are payable ("Payee"); and
2. will remit such payment to the Payee in accordance with applicable law.

Any such payment the Company makes to the Policyholder is a full discharge of the Company's liability for the claim for which payment is made.

"License" or "Licensed" means with respect to any Country, authorized or otherwise permitted in accordance with applicable law to conduct the business of accident and sickness insurance in such Country.

If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change.

Assignment: We may pay benefits directly to any Hospital or person rendering covered services, unless the Covered Person requests otherwise in writing no later than the time he or she submits written proof of loss. Any payment made in good faith will end our liability to the extent of the payment.

This section applies when a claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.

The Participating Organization will be liable to Us for any unpaid premium for the time the Policy was in force.

This Policy terminates automatically on the earlier of: 1) the last day of the Policy Term; or 2) the Premium Due Date if Premiums are not paid when due.

Clerical Error: If a clerical error is made, it will not affect the insurance of any Covered Person. No error will continue the insurance of a Covered Person beyond the date it should end under the Policy terms.

Examination Of Records And Audit: We shall be permitted to examine and audit the Participating Organization's books and records at any time during the term of the Policy and within 2 years after the final termination of the Policy as they relate to the premiums or subject matter of this insurance.

Certificates Of Insurance: Where it is required by law, or upon the request of the Participating Organization, We will make available certificates outlining the insurance coverage and to whom benefits are payable under the Policy.
