BAGGAGE SPECS

Maximum baggage allowance is listed on your Builder Portal. HXP advises that you bring 1 checked bag and 1 back- pack or duffel-bag as your carry on (so pack light!)

WEATHER

Fiji is hot (average temperatures between 66 and 77 degrees Fahrenheit) with high humidity.

Dry season is between May - October, so expect little to no rainfall. Be sure to pack breathable clothes such as cotton.

MEDICATIONS/VACCINES

We encourage every Builder to look at the CDC website for the recommended vaccines for the location they are traveling to. Review them and talk with their doctor/travel clinic to decide if you want any additional vaccines!

DO NOT BRING

- Laptops, Ipads, or Ipods
- Videogames/ nintendo switch
- Apple / smart watches
- Expensive clothing, jewelry

LOCATION SPECIFIC

These are items that your trip planner has stated are necessary for your specific trip. We definitely recommend you bring the following:

- Debit card (don't forget to tell your bank!)
- You will *need* insect repellent
- Water Shoes
- Tampons are hard to find in Fiji so be sure to pack them if applicable
- (For Girls) you must bring at least 1 long skirt (ankle length) in your carry-on for village meetings. It's culturally offensive to not wear a long skirt in this meeting.

SNACKS

One of the best things about traveling is being able to try new foods. Be open to expanding your taste buds! You may want to pack the snacks you love to ensure you are always happy and full!

While our food providers can work with dietary restrictions, options may be limited. Plan accordingly.

Snack Suggestion:

Trail mix, fruit snacks, granola and/or protein bars, peanut butter, nutella, crackers, dehydrated fruit, mini cereal boxes and **electrolyte substitutes/flavoring to add to your water.**

DRESS CODE

We don't have a drop-dead clothing regulation—across all of our trips, we want to make sure Builders are comfortable doing all activities they will participate in and that we are being respectful of the people and cultures that we are interacting with.

On the worksite, we ask that Builders wear long pants and short to long sleeve shirts for safety purposes. Extra clothing coverage is great for protection while on the worksite.

Our biggest thing with swimsuits is we do a lot of active stuff, so just make sure Builders pick a suit they are comfortable running, swimming and doing water activities in.

Modesty is highly valued in Fijian culture. We will be spending some time with the local ward, so we want to make sure that we show respect for their country and culture.

REMINDER

This packing list includes our suggestions for what we think Builders should pack. You know yourself better than we do. Consider what you personally will need to bring to be comfortable on your trip.
