Your location does not have any required vaccines or medications. We encourage every Builder to look at the CDC website for the recommended vaccines for the location they are traveling to. Review them and talk with their doctors/travel clinic to decide if you want any additional vaccines!

Malaria Pills are recommended (talk with your doctor for any medical recommendations/advice)

These are items that your trip planner has stated are necessary for your specific trip. We definitely recommend you bring the following:

- You must bring \$20 USD cash to pay for your Mozambique tourist fee at the border. Bills must be newer than 2013. (The newer and crisper the better!)
- If you are unvaccinated for COVID-19 you will need to get tested at the South Africa/Mozambique border. Bring \$25 USD in cash for that test.
- COVID card (if vaccinated)
- Cash for spending money
- Debit/Credit card (don't forget to notify your bank!)
- Headphones for the plane (you won't have your phone for international flights)
- Face Mask (in case of local COVID restrictions)
- Alarm Clock (optional)
- Journal
- Laundry soap
- COVID Mask

SNACKS

One of the best things about traveling is being able to try new foods. Be open to expanding your taste buds! You may want to pack the snacks you love to ensure you are always happy and full!

While our food providers can work with dietary restrictions, options may be limited. Plan accordingly.

Snack Suggestion:

Trail mix, fruit snacks, granola and/or protein bars, peanut butter, nutella, crackers, dehydrated fruit, mini cereal boxes and **electrolyte substitutes/flavoring to add to your water.**

DRESS CODE

We don't have a drop-dead clothing regulation—across all of our trips, we want to make sure Builders are comfortable doing all activities they will participate in and that we are being respectful of the people and cultures that we are interacting with.

On the worksite, we ask that Builders wear long pants and short to long sleeve shirts for safety purposes. Extra clothing coverage is great for protection while on the worksite.

Our biggest thing with swimsuits is we do a lot of active stuff, so just make sure Builders pick a suit they are comfortable running, swimming and doing water activities in.

REMINDER

This packing list includes our suggestions for what we think Builders should pack. You know yourself better than we do. Consider what you personally will need to bring to be comfortable on your trip.
